School Description

On behalf of the students and staff at Arbolita Visual and Performing Arts Academy, it is a pleasure to provide you with information about our school. We were named a California Distinguished School and Title I Achievement School for 2014, only 3 other schools in Orange County were similarly recognized. The staff is committed to providing our students with a safe, stimulating, and positive learning environment. Our teachers work closely in grade-level teams to plan meaningful instruction based on the Common Core State Standards. It is our goal for students to become lifelong learners who are responsible citizens, fluent readers, problem solvers, and effective communicators.

Every teacher at Arbolita Elementary School is committed to quality education in all content areas, including the Arts. Our staff considers building partnerships with parents to be a high priority. We encourage all of our parents to be involved in our classrooms, PTA, School Site Council, English Language Advisory Committee, and more. Please come and visit us! We would love for you to meet the Arbolita Team!

Our teachers meet weekly in Professional Learning Communities (PLC) to set goals based on standards, develop assessments for each goal, and discuss ways in which to support students not meeting goals. They share strategies for best practices, look at student work, and plan instruction for future learning.

To maximize student achievement, we differentiate our reading instruction to provide support and extension to students reading at a variety of levels. This differentiated reading time provides each of our students an opportunity to achieve high levels of reading success regardless of their ability level. Students are evaluated to determine their current levels in reading. Teachers meet together to scaffold the students, plan progress monitoring and plan interventions. Support personnel is utilized to support this process. The scaffolding method provides support to students as they learn a concept, then the support is removed as students achieve competence. Small group instruction is also used in math to ensure students are meeting grade level standards.

Two years ago, our school became the Visual and Performing Arts Academy for the district. We have a piano lab, music/choir teacher, band instruction, visual arts through Art Masters, Disney Musicals in Schools, opportunities for participation in performances and much, much more. In 2019, Arbolita was recognized as the only elementary school in Orange County to receive the California Department of Education's Exemplary Arts in Education Award.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

On October 8, 2020, the La Habra City School District's Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board approved Resolution #15-2019 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students in the district, including English learners, to the extent that each pupil has a textbook or instructional materials or both to use in class and to take home; and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in English/language arts, math, science, and history-social science.

All textbook and support materials are selected from the state's list of approved materials and adopted by the State Board of Education. Materials approved for use are reviewed and a recommendation is made to the Governing Board by a selection committee composed of teachers, administrators, and parents. All recommended materials are available for parent examination at the district office prior to adoption. The information that follows shows the currency and availability of the textbooks and other instructional materials used at the school as of October 2020.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

We have many ways for parents to participate in the life of our school, and we depend on parents to keep our programs running smoothly. Parents can join our School Site Council (SSC) and English Language Advisory Committee (ELAC) to work with administration to help make financial decisions. All parents of our students are vital to our advisory committees. We hold Open Mic with the Principal meetings four times a year to provide a public forum for disseminating information and responding to questions. We also have a community liaison who provides parents with several opportunities to become involved in their child's education. These opportunities include parent education classes, volunteering opportunities, and other parent leadership activities.

Room parents help our teachers with special projects in the classroom and serve as chaperones on field trips. Our PTA members help with activities throughout the year such as: Buck a Book, Red Ribbon Week, Fall Family Fun Nights, Holiday Family Fun Night, Family Reading and Math Nights, Holiday Gift Shop, Arbolita Arts Festival, book fairs, the annual color run, performances, and more. We ask all parents to attend Back-to-School Night in the fall, Open House in the spring (Arbolita Arts Festival), and parent conferences in October and February. We appreciate our parent volunteers, and are always looking for more ways to help our parents become more involved. Although these events have looked different once we transitioned to Distance Learning/Hybrid, we continue to offer virtual events, virtual awards, virtual parent teacher conferences, and virtual parent meetings. Please contact our principal for information.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Staff members monitor the school grounds and in classroom 15 minutes before school starts, during bathroom breaks, and at dismissal. Teachers regularly review the rules for safe, responsible, and respectful behavior in school and on the playground. We have a closed campus that is fully fenced. Visitors must enter the school through the main office and sign in. Visitors are allowed limited access to the campus due to COVID-19. Using our new automated system, parents receive badges to wear throughout their stays on campus once safe. Furthermore, we are a PBIS (Positive Behavior Interventions and Supports) school that strives to promote safe and responsible school behavior through positive incentives, clear behavior expectations and specific behavior supports needed for our students to succeed.

We revise our School Safety Plan annually; it was last revised in November 2020. The plan includes procedures for emergencies, exit routes, and supplies. This plan is shared with our staff, School Site Council/Advisory and Information Committee, and English Language Learner Committee. It is also available in the office for review. We currently house a three-day food and water supply for our students and staff in the event of an emergency. We practice regular fire, lock-down and earthquake drills throughout the year to review the procedures that would keep our students, staff and families safe during an emergency. In addition to our School Safety Plan, we have a Safe Schools Action Plan. Included in this plan are our mission statement, school narrative, and goals regarding people and programs at Arbolita Visual and Performing Arts Academy.

Suspensions and Expulsions

Suspensions	2.4	3.4	2.5
Expulsions	0.0	0.0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Each year the District looks at student achievement data along with teacher requests for specific trainings to determine the plan for the four Districtwide professional development days. In 2017-2018, training focused on new English Language Arts adoptions, Wonders and Amplify. In 2018-2019 training focused on new Mathematics adoptions, Bridges and Math Links. In 2019-2020, training focused on developing Multi-Tiered System of Supports (MTSS) and iReady training. In 2020-2021, we will continue focusing on MTSS and iReady with additional training on safety and Distance Learning during the COVID-19 pandemic.

Teachers on Special Assignment (TOSAs) assigned to each site work with all teachers throughout the year during the school day and during PLC time to support implementation of the strategic focus. At Arbolita, our teachers also have the option of attending several arts-focused trainings throughout the year and summer.

Types of Services Funded

Federal Title I and Local Control Funding Formula Supplemental and Concentration funds support low-income students and help pay for school support staff, including a library technician. In addition, these funds pay for instructional aides who work with teachers and small groups of students to improve learning opportunities. We also use these resources for materials and supplies for our classrooms, library, and computer lab; for translators for parent conferences; and for parent-involvement activities. We also use these funds for a part-time counselor for our students. Our PTA raises funds for field trips, assemblies, and programs through our annual jog a thon, restaurant nights, book fairs and catalog fundraisers. These funds help us buy more books for our library as well.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
