2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.
	- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
	- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
	- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

On behalf of the students and staff at Arbolita Visual and Performing Arts Academy, it is a pleasure to provide you with information about our school. We were named a California Distinguished School and Title I Achievement School in 2014. Only three other schools in Orange County were similarly recognized. The staff is committed to providing our students with a safe, stimulating, and positive learning environment. Our teachers work closely in grade-level teams to plan meaningful instruction based on the Common Core State Standards. It is our goal for students to become lifelong learners who are responsible citizens, fluent readers, problem solvers, and effective communicators.

Every teacher at Arbolita Elementary School is committed to quality education in all content areas, including the Arts. Our staff considers building partnerships with families to be a high priority. We encourage all of our families to be involved in our classrooms, PTA, School Site Council, English Language Advisory Committee, and more. Please come and visit us! We would love for you to meet the Arbolita Team!

Our teachers meet weekly in Professional Learning Communities (PLC) to set goals based on standards, develop assessments for each goal, and discuss ways in which to support students not meeting goals. They share strategies for best practices, look at student work, and plan instruction for future learning.

To maximize student achievement, we differentiate our reading instruction to provide support and extension to students reading at a variety of levels. This differentiated reading time provides each of our students an opportunity to achieve high levels of reading success regardless of their ability level. Students are evaluated to determine their current levels in reading. Teachers meet together to scaffold the students, plan progress monitoring, and plan interventions. Support personnel is utilized to support this process. The scaffolding method provides support to students as they learn a concept, then the support is removed as students achieve competence. Small group instruction is also used in math to ensure students are meeting grade-level standards.

Six years ago, our school became the Visual and Performing Arts Academy for the district. We have a piano lab, music/choir teacher, band instruction, visual arts through Art Masters, Disney Musicals in Schools, opportunities for participation in performances, and much, much more. In 2019, Arbolita was recognized as the only elementary school in Orange County to receive the California Department of Education's Exemplary Arts in Education Award.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

On September 14, 2023, the La Habra City School District's Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board approved Resolution #9-2023 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students in the district, including English learners, to the extent that each pupil has a textbook or instructional materials or both to use in class and to take home; and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in English/language arts, math, science, and history-social science.

All textbook and support materials are selected from the state's list of approved materials and adopted by the State Board of Education. Materials approved for use are reviewed and a recommendation is made to the Governing Board by a selection committee composed of teachers, administrators, and parents. All recommended materials are available for parent examination at the district office prior to adoption. The information that follows shows the currency and availability of the textbooks and other instructional materials used at the school as of September 2023.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

We have many ways for parents to participate in the life of our school, and we depend on parents to keep our programs running smoothly. Parents can join our School Site Council (SSC) and English Language Advisory Committee (ELAC) to work with administration to help make financial, program, and school decisions. All parents of our students are vital to our advisory committees. We hold Open Mic with the Principal meetings four times a year to provide a public forum for disseminating information and responding to questions. We also have a community liaison who provides parents with several opportunities to become involved in their child's education. These opportunities include parent education classes, volunteering opportunities, fitness class, computer classes, and other parent leadership activities.

Room parents help our teachers with special projects in the classroom and serve as chaperones on field trips. Our PTA members help with activities throughout the year such as: Buck a Book, Red Ribbon Week, Fall Family Fun Nights, Holiday Family Fun Night, Family Reading and Math Nights, Holiday Gift Shop, Arbolita Arts Festival, book fairs, the annual color run, performances, and more. We ask all parents to attend Back-to-School Night in the fall, Open House in the spring (Arbolita Arts Festival), and parent conferences in October and January/February. We appreciate our parent volunteers, and are always looking for more ways to help our parents become more involved. Please contact our principal for information.

2023-24 School Safety Plan

Staff members monitor the school grounds and in classrooms 30 minutes before school starts, during bathroom breaks, and at dismissal. Teachers regularly review the rules for safe, responsible, and respectful behavior in school and on the playground. We have a closed campus that is fully fenced. Visitors must enter the school through the main office and sign in. Using our new automated system, parents receive badges to wear throughout their stays on campus once safe. Furthermore, we are a PBIS (Positive Behavior Interventions and Supports) school that strives to promote safe and responsible school behavior through positive incentives, clear behavior expectations and specific behavior supports needed for our students to succeed.

We revise our School Safety Plan annually; it was last revised in September 2023. The plan includes procedures for emergencies, exit routes, and supplies. This plan is shared with our staff, School Site Council/Advisory and Information Committee, and English Language Learner Committee. It is also available in the office for review. We currently house a three-day food and water supply for our students and staff in the event of an emergency. We practice regular fire, lock-down and earthquake drills throughout the year to review the procedures that would keep our students, staff and families safe during an emergency. In addition to our School Safety Plan, we have a Safe Schools Action Plan. Included in this plan are our mission statement, school narrative, and goals regarding people and programs at Arbolita Visual and Performing Arts Academy.

Fiscal Year 2022-23 Types of Services Funded

Federal Title I and Local Control Funding Formula Supplemental and Concentration funds support low-income students and help pay for school support staff, including a library technician. In addition, these funds pay for educational aides who work with teachers and small groups of students to improve learning opportunities. We also use these resources for materials and supplies for our classrooms, library, and computer lab; for translators for parent conferences; for professional development for staff, and for parent involvement activities. We also use these funds for a full-time counselor for our students. Our PTA raises funds for field trips, assemblies, and programs through our annual jog a thon, restaurant nights, book fairs and catalog fundraisers. These funds help us buy more books for our library as well.

Professional Development

Each year the District looks at student achievement data along with teacher requests for specific training to determine the plan for the four Districtwide professional development days. In 2017-2018, training focused on English Language Arts adoptions: Wonders, and Amplify. In 2018-2019 training focused on new Mathematics adoptions, Bridges, and Math Links. In 2019-2021, training focused on developing Multi-Tiered System of Supports (MTSS), iReady training, and building capacity for integrating technology into the learning environment. In 2021-2022, we focused on MTSS and iReady with additional training on safety and technology integration during the COVID-19 pandemic. In 2022-2023 we continued focusing on MTSS as well as training focused on the new Elementary Science adoption. In 2022-2024, Arbolita has been working on reading and writing strategies schoolwide.

MTSS Teachers on Special Assignment (TOSAs) assigned to each site work with all teachers throughout the year during the school day and during PLC time to support the implementation of the strategic focus. In 2023-2024, mathematics was our focus. Staff at all sites have received professional development and training as it relates to the newly adopted mathematics framework .
