School Description

Dear Parents and Community Members,

The Washington Middle School mission is to prepare all students for 21st century college and careers. We are continuously implementing 21st century technology to enhance learning within all content areas. We model and require all students to demonstrate behavior that is ready, responsible, and respectful. Through a united collaboration of staff, parents, and the community, we are fostering strong foundations that empower our students to become responsible and productive citizens. We are empowering students to be creative thinkers and problem solvers.

We are proud to offer a comprehensive Science, Technology, Engineering, Arts, and Math (STEAM) program on our campus, including sections of STEM-based Project Lead The Way (PLTW). We are proud to offer an elective class in Model United Nations, which will allow students an opportunity to learn global perspectives and collaborate with neighboring Middle Schools. Washington also offers elective classes in technology, AVID, PALs, ASB, Art, Band, Choir, and Theater.

Students in all grades utilize a personalized Apple iPad during all classes to enhance learning. This year, every student will bring their iPad to and from school to continue learning through technology during after school hours. Read 180, System 44, and NewsELA programs integrate state-of-the art technology to ensure proficiency in Language Arts for all our students.

During the 2020-21 academic school year we will continue our Positive Behavior Interventions and Support (PBIS) program in addition to an emphasis on Social Emotional Learning (SEL) for both students and adults. These emphases promote positive interactions and work to improve the culture and climate across campus. At the home of the Patriots both academic excellence and fostering respectful and personally responsible students are of the utmost importance.

We offer a wide collection of highly engaging after school programs, such as homework assistance, co-ed sports, Italian, student clubs, Art, math tutorials, computers, Model United Nations, Femineers, and Boys and Girls Club (an After School Education and Safety program).

Our staff continues to work in the Professional Learning Community (PLC) model, which is research-based and supports highly effective teaching strategies. This year our focus is to continue to implement research-based instructional strategies that incorporate critical thinking, creativity, collaboration, and communication among students. Mastering these skills will ensure that all Patriots are prepared for future educational and career endeavors.

We look forward to collaborating with all our parents and other community members to ensure the most successful year possible.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

On October 8, 2020, the La Habra City School District's Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board approved Resolution #15-2019 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students in the district, including English learners, to the extent that each pupil has a textbook or instructional materials or both to use in class and to take home; and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in English/language arts, math, science, and history-social science.

All textbook and support materials are selected from the state's list of approved materials and adopted by the State Board of Education. Materials approved for use are reviewed and a recommendation is made to the Governing Board by a selection committee composed of teachers, administrators, and parents. All recommended materials are available for parent examination at the district office prior to adoption. The information that follows shows the currency and availability of the textbooks and other instructional materials used at the school as of October 2020.

Textbooks and Instructional Materials

Year and month in which data were collected: October, 2020

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	Amplify, Imagine Learning, 2017 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Mathematics	The Center for Mathematics and Teaching Math Links, 2018 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0

School Facility Conditions and Planned Improvements (Most Recent Year)

Facilities were reviewed on 10/12/2020 with Mr. Tom Velazquez, Daytime Custodian. The team utilized the Facilities Inspection Tool to inspect all areas and systems on-campus. During that inspection, all areas and facilities and systems were found to be in good repair. Many Washington facilities are newly renovated, including the Science Labs and classrooms 412 - 414, rooms 201-203, 510-515, 401-402, room 613 (PLTW lab), and the Library / Media Center and Computer Lab.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	47	N/A	40	N/A	50	N/A
Math	23	N/A	31	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Washington Middle School recognizes how crucial parent involvement is to student success. A successful school is one in which parents are active members of the school community. We strongly encourage parents to get involved and participate in all Washington Middle School activities.

We have many ways for parents to participate in the life of our school, and we depend on parents to keep many of our programs running smoothly. Some of the activities designed to increase parent involvement include: PTSA, English Language Advisory Committee, Parent Advisory and Information Team, School Site Council, Family Nights, Student-Led Conferences, Back-to-School Night, Open House, Red Ribbon Week, and eighth grade end-of-the-year activities. In addition, many opportunities are available for parents to volunteer at school, either in classrooms, in the library, as an assistant for a group of teachers, helping to supervise field trips, or through the PTSA and the activities they sponsor. In addition we offer a Parent Institute of Quality Education (PIQE) program, in which parents are able to participate in educational courses designed to support the academic achievement of their child. To volunteer at Washington Middle School, please contact us at Washington Middle School (562-690-2374), and we will put you in touch with our PTSA President, Regina Cuadra. For more information on all parental involvement programs please contact us at school (562) 690-2374.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

One of the most important goals at Washington Middle School is to establish and maintain a safe, healthy, positive school environment, and a safe action plan. In compliance with SB 187, Washington Middle School has designed a comprehensive Site Safety Plan, which was approved by the School Site Council in the Spring of 2020. The goals for the safety plan are:

- Secure campus with gates that are locked during the day for student safety and campus security.
- Provide all students and staff members with a safe teaching and learning environment.
- Keep all students safe and secure at school, traveling to and from school, and at school-related activities.
- Provide district programs and community resources to students and parents.
- Washington Middle School provides an educational environment where students, parents, staff, and community members participate respectfully without regard to race, culture, or religious background.
- Staff and administration monitor the campus from 7:40 a.m. to 4:00 p.m. Our campus is closed, with clearly posted and communicated rules for visitors. All guests are to report to the office and get a visitor's pass if entering the campus. All staff are instructed to report any unauthorized individuals immediately.
- Emergency drills are practiced regularly to ensure student safety in the event of an emergency. All rooms have clearly posted emergency evacuation maps for students and staff to follow.

In March of 2020, due to the COVID19 Pandemic, we have developed a Safe School Reopening Plan to support student and staff safety when students return to campus for instruction.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	4.9	5.7	1.7	1.8	3.5	3.5
Expulsions	0.0	0.2	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	10.6	3.4	2.5
Expulsions	0.0	0.0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselor*	291.5

*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Each year the District looks at student achievement data along with teacher requests for specific trainings to determine the plan for the four Districtwide professional development days. In 2017-2018, training focused on new English Language Arts adoptions, Wonders and Amplify. In 2018-2019 training focused on new Mathematics adoptions, Bridges and Math Links. In 2019-2020, training focused on developing Multi-Tiered System of Supports (MTSS).

In addition to the 19-20 Districtwide trainings, each site worked with a consultant from InnovateEd to develop Cycles of Inquiry around their strategic focus. Teacher leaders attended seven days of training to analyze student data, develop a strategic focus for the year, implement evidence based lessons, and analyze student work. Teachers on Special Assignment (TOSAs) assigned to each site worked with all teachers throughout the year during the school day and during PLC time to support implementation of the strategic focus.

During the 20-21 school year we will continue to focus on reading comprehension. In addition, teachers will be supported with training on best practices for Distance Learning via Zoom.

Types of Services Funded

Washington is a Title I school and receives funds from the federal government to help us improve our students' achievement. Title I also supports our after school tutoring program to assist students who have difficulty completing homework or who lack the support at home to complete daily assignments. After-school programs are free to Washington students. They are offered Monday, Tuesday, and Thursday from 3:02-4:02 p.m. by Washington Middle School credentialed teachers. In addition to academic supports, after school enrichment programs are also offered in athletics, art, music, and academic enrichment such as robotics, Project Lead the Way (PLTW), Model United Nations, and Academic Pentathlon.

State and federal funds are also used to employ our Information Services Technician, instructional support paraprofessionals, and to purchase supplemental books for student instruction. PTSA raises funds for field trips, technology implementation, and school assemblies.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
